

How to help....

January 2008

- Share our website with your friends and family. We are passionate about creating economic opportunities in Navajo communities, because work gives dignity and purpose to human existence.
- Refer retail stores and individuals our way that can help us market and wholesale the products we have available.
- Finances and helping hands to finish the hogan we are building as a meeting place. We want to keep it available for pot-lucks, training, teaching, and developing small businesses. Call or email for more specifics.
- Upstart finances for the business "Flavors of the Hogan". The mixes are available on the web. For the last 2 years we have been waiting for an available kitchen to be certified, and as of this month it is all ready to go!! Call or email for more specifics.
